

I'm not robot!

Galileo [137] He also considers that the demand for Galileo to include the Pope's answer in the Dialogue left him with no option but to put it in the mouth of Simplicio.[138] Even Arthur Koestler, who is generally quite harsh on Galileo in *The Sleepwalkers*, after noting that Urban suspected Galileo of having intended Simplicio to be a caricature of him, says "this of course is untrue"[139] References Citations Science: The Definitive Visual Guide.
